

Tamarisk Park Renovation **(Under Construction)**

The proposed improvements at Tamarisk Park include:

- the addition of shade structures
- new play equipment
- improvements to existing baseball field
- new restroom building
- landscape and irrigation improvements
- hardscape improvements

The City Council awarded a construction contract to Lehman Construction for the park renovations. The construction started in August 2013 and will be completed in winter 2013.

A conceptual plan of the Tamarisk Park improvements is shown on the next page.
